

We welcome You at the
Industrie Center Obernburg
and wish You a pleasant stay.

The visit of an industrial center with various companies being part of the chemical industry is associated with potential risks. Please help to prevent accidents and note and obey to our safety rules listed on this sheet.

Plants and other facilities may only be entered before appointment to operating department in charge. The visitor is committed to use the shortest route to the visitors point and leaving on the same path after finishing the visit. Factory equipment may not be operated, changed or removed without permission.

Every accident or injury must be reported immediately (coordinator, operating medical, fire or plant protection).

We reserve the right to check cargo and vehicles.

In the ICO applies:

the highway code!
maximum speed: 20 km/h!

rail transport has always priority!
stop engine when parking

Drivers of trucks and suppliers have to wear safety shoes and safety vest while loading or unloading.

Smoking is prohibited throughout the whole site (incl. in vehicles) unless it is expressly permitted in individual rooms.

In addition to the ban on smoking in this way marked buildings and facilities the carrying of matches, lighters and electrical equipment such as radios and mobile phones is prohibited.

Alcohol and drugs are not allowed or consumed in the ICO. No one should enter the ICO under the influence of alcohol or drugs.

Before entering the ICO visitors are obliged to register all declared as hazardous materials and substances in plant protection .

Where required, personal protective equipment should be worn. In most companies, there is safety shoe duty. This especially true for plants where also safety helmets must be worn.

Photography is not allowed in the ICO. Cameras and video cameras are to be submitted at the plant security when entering the site.

For hazardous work (eg welding, „flexing“, riding on tanks, etc.) you need a permit, which you will receive from your coordinator.

Children and juveniles entry to the ICO - even as passenger - is not permitted.

The parking of vehicles is permitted only on clearly designed parking zones or areas allocated by the contact person.

The buildings of the ICO are equipped with alarm systems. In case of emergency use the emergency exits, follow the instructions of the operating staff and go to the assembling points.

Pets are not permitted on the grounds of the ICO.

So you behave properly!

Report emergencies (accidents, fire, outlets of any materials etc.) immediately to fire brigade under

112

from any on-site phone or

06022-812-112

from a mobile phone.

Orient Your message to the „5 emergency questions“

“5 emergency questions”

Who is calling?

What happened?

Where did it happen?(building, entrance, floor)

How many persons are injured?

Wait for questions!

If you become aware of other insecure items, please feel free to contact Mainsite Dept. Health and Safety:

Tel: 2762 or 2684
